

CHRONOLOGICAL TIMELINE

CITIZEN'S INVESTIGATION OF DOE CONTAMINATION AND WASTE PILES FOUND OUTSIDE THE BOUNDARY OF THE PADUCAH GASEOUS DIFFUSION PLANT PERIMETER

PART II

- In late April 2006, Senator McConnell received a call from his close friend Dr. Clinton Cook after the Senator's staff failed to contact the former landfill manager Gary Vander Boegh.
- After being advised by his close friend of the circumstances surrounding to Gary Vander Boegh's termination of employment, Senator McConnell indicated his support to Dr. Clinton Cook for Gary Vander Boegh to bring forward issues regarding radioactive contamination at PGDP.
