URGENT ASSISTANCE FOR CLAIMANT REQUESTED!

Senator McConnell,

As you are fully aware, the Department of Labor allows a claimant to hold informal hearings to appeal a denial of a recommended decision before the "Final Adjudication Branch" (FAB). Since Martie Wiles has previously attended FAB hearings on behalf of Senator McConnell's constituents, Mr. Gill respectfully requested that Senator McConnell and his staff allow Ms. Wiles (or Collin Johnson) to attend Mr. Gill's FAB hearing (either in person or by telephone conference) that begins promptly at 9:00 am tomorrow morning at the Emerging Technology Center in Paducah, Ky. located on the campus of West Kentucky Community Technical College.

Mr. Gill respectfully requests if there is any reason your staff is not allowed to attend CES claimant's hearings who are represented by Gary Vander Boegh as their "Authorized Representative" based on 20 CFR, Section 30.600, please state the basis for not attending in person or by teleconference. Mr. Gill's claim for Part B and E compensation in the amount of up to \$400,000 depends on whether Senator McConnell recognizes the evidence presented tomorrow.

Regards,

Gary S. Vander Boegh

PS Mr. Gill is in the process of providing Senator McConnell with Senator's "Privacy Act Release Form" to allow his staff to attend the FAB hearing. It will be faxed and emailed by 1:00 pm today!
